### OPTIONAL:

Rather than sending us your credit card information via mail or email, we recommend that you call us with that information at 206-323-1228, or fax it to us at 206-329-1791.

We can now accept Visa, Mastercard, Discover, and American Express. For a secure transaction, we will also need your credit card billing zip code or postal code, as well as the 3 or 4 digit security code on the card. That code is located as follows:

- On Visa, Mastercard, and Discover cards, the security code is the 3 digit number on the back of the card.
- On American Express cards, the security code is the 4 digit number on the front of the card.
